Exogenous and endogenous influences on metabolic and neural control of respiration, feeding, activity and energy supply in muscles, ion- and . for Comparative Physiology and Biochemistry, August 31-September 3, 1981, Noordwijkerhout, Netherlands by European Society for Comparative Physiology and Biochemistry. Dec 12, 2009 . Congress, 1982, Pergamon Press edition, in English - 1st ed. European Society for Comparati . neural control of respiration, feeding, activity and energy supply in muscles, ion- and osmoregulation, reproduction, perception and orientation August 31-September 3, 1981, Noordwijkerhout, Netherlands 3rd ed. QV 600 G554c 1969. 3, 1805, A flora of North America., Torrey, John, . 51, 88771, Protein metabolism of the nervous system /, New York : Plenum Press August 3-5, 1971 as a satellite symposium of the XXV International Congress .. 359, 560374, Reproductive physiology : comparative reproductive physiology Exogenous and endogenous influences on metabolic and neural control of respiration, feeding, activity and energy supply in muscles, ion- and osmoregulation, reproduction, perception and orientation : proceedings of the Third Congress of the . for Comparative Physiology and Biochemistry, August 31-September 3, 1981, Exogenous and endogenous influences on metabolic and neural control of respiration, feeding, activity and energy supply in muscles, ion- and osmoregulation, reproduction, perception and orientation part 3. Proceedings of the Third Congress of the European Society for Comparative Physiology and Biochemistry, Aug. Exogenous and endogenous influences on metabolic and neural . Book Catalog: exo - vol. 1 Sep 3, 1981 . Exogenous and endogenous influences on metabolic and neural control of respiration, feeding, activity and energy supply in muscles, ion- and Congress (3rd : 1981 : Noordwijkerhout, Netherlands) (nnnam)189240 189240. Exogenous and endogenous influences on metabolic and neural control of respiration, feeding, activity and energy supply in muscles, ion- and European Society for Comparative Physiology and Biochemistry, August 31-September 3, 1981, Catalog Record: Exogenous and endogenous influences on . Exogenous and Endogenous Influences on Metabolic and Neural . Exogenous and Endogenous Influences on Metabolic and Neural Control, . covers the proceedings of the Third Congress of the European Society for Comparative Control of Respiration, Feeding, Activity and Energy Supply in Muscles, Ion- for Comparative Physiology and Biochemistry, August 31-September 3, 1981, Invited Lectures: Proceedings of the Third Congress

of the . - Google Books Result MSLBooks - Texas A&M University Libraries Exogenous and Endogenous Influences on Metabolic and Neural Control of Respiration, Feeding, Activity and Energy Supply in Muscles, Ion- and Osmoregulation, Reproduction, Perception and Orientation: Abstracts. Front Cover Netherlands, European Society for Comparative Physiology and Biochemistry. Congress Exogenous and endogenous influences on metabolic and neural . Proceedings of the Third Congress of the European Society for Comparative . and Biochemistry, August 31–September 3, 1981, Noordwijkerhout, Netherlands Exogenous and Endogenous Influences on Metabolic and Neural Control, Volume include feeding, respiration, reproduction, osmoregulation, and perception. Exogenous and Endogenous Influences on Metabolic & Neural Control, . feeding; respiration; reproduction; and activity and energy supply in muscles. Proceedings of the Third Congress of the European Society for Comparative Physiology and Biochemistry, August 31-September 3, 1981, Noordwijkerhout, Netherlands. Abstracts, 1st Edition A. D. F. Addink, N. Spronk ISBN Invited lectures - European Society for Comparative Physiology and . Exogenous and endogenous influences on metabolic and neural control of respiration, feeding, activity and energy supply in muscles, ion- and osmoregulation, reproduction, perception and orientation : proceedings of the Third Congress of the . for Comparative Physiology and Biochemistry, August 31-September 3, 1981, Hormones and osmoregulation : endocrine involvement in calcium . Exogenous and endogenous influences on metabolic and neural . Exogenous and Endogenous Influences on Metabolic and Neural .
