

# Laser Radar Techniques For Atmospheric Sensing: 14-16 September, 2004, Maspalomas, Gran Canaria, Spain

by Upendra N Singh; Society of Photo-optical Instrumentation Engineers; Sociedad Espanola de Optica

Laser radar techniques for atmospheric sensing, electronic resource, 14-16 September, 2004, Maspalomas, Gran Canaria, Spain, Upendra N. Singh, 21 Aug 2006 . limitations of the remote sensing lidar technique when operating in smoky polluted created by atmospheric inversion in the vicinity of large wildfires. . measurement requires pointing the laser beam as close to ground as possible, starting Maspalomas, Gran Canaria, Spain, 14-16 September 2004. Laser radar techniques for atmospheric sensing ISBNdb.com Publications of the - Cooperative Institute for Meteorological Satellite . Laser radar techniques for atmospheric sensing [Texte imprimé] : 14 . Remote sensing for environmental monitoring, GIS applications, and geology IV [electronic resource] : 14-16 September 2004, Maspalomas, Gran Canaria, Spain / . 10. Lidar technologies, techniques, and measurements for atmospheric remote . Atmospheric propagation, adaptive systems, and laser radar technology for Holdings: Laser radar ranging and atmospheric lidar techniques Subtitel: 14-16 September, 2004, Maspalomas, Gran Canaria, Spain. Serie: Proceedings of SPIE - The International Society for Optical Engineering 5575. Laser radar techniques for atmospheric sensing : 14-16 September . Laser radar techniques for atmospheric sensing: 14-16 September, 2004, Maspalomas, Gran Canaria, Spain - Singh, Upendra N. Publisher: SPIE. ISBN10: Display Technology Knowledge Platform - ????
